

Mission Statement

The Presbytery of Lake Huron partners with congregations, helping people to know, grow, share and serve as disciples of Jesus Christ.

Church Growth Ministry

The Church Growth Ministry provides presbytery-wide planning and strategies for new church development and congregational transformation, and assists congregations in developing a plan for growth in evangelism, worship, leadership development and stewardship.

The Presbytery's contract with *Percept* enables up to 20 members of every church to access local demographic information through the Link2Lead.com website. Forty of our churches have made use of this resource.

education.

Five churches are presently receiving *Programs in Development grants* that support outreach projects in the community that address issues such as hunger, children, youth and

The Church Growth Ministry sponsors training and *educational opportunities* that strengthen the life of churches, such as the Magnetic Church Workshop with Andrew Weeks.

Most recently Church Growth has invited the people of the Presbytery to gather weekly for "*A Time of Prayer*" at the Presbytery Office on Thursdays at 11:30. A major focus of each gathering is the Presbytery's intercessory prayer list. Each week we pray for a different congregation in our Presbytery, with particular attention to the joys and concerns of that congregation.
