1. What did you think was done well during this meeting:

- Meeting moved along very smoothly and speedy
- Great lunch
- Efficient committee reports
- Very well presented especially budget info
- Enjoyed the fellowship time
- Workshop was fantastic
- Everything
- Glad to see PW back giving a report
- Presentation on income sources was excellent, thank you
- Love the opportunities for fellowship
- All of it. Money discussions are not entertaining, but so necessary
- Concert was splendid
- Continue to have the Presbytery meetings to be well planned and still open for comment, conversations so the meeting is in truth a dynamic open meeting
- Most of the presenters could be heard very well! The presenters were knowledgeable, clear and concise in their reports
- The meeting ran smoothly and efficiently
- Written materials on budget, per capita, etc. were very helpful, especially to me as a new Clerk of Session

2. What would you suggest for upcoming meetings?

- Keep the women's mission PW coming and reporting
- Keep up the work on explaining our financial resources, then use, etc.
- A microphone "roving person" might be available to the audience as many questions or comments were hard to hear
