TO: Clerks of Session
FROM: Ted McCulloch, Stated Clerk

Each year, the Committee on Ministry makes a Necrology Report to the presbytery. (A Necrology Report lists the names of all ministers and elders in the presbytery who died during the preceding year.) In preparation for the report, the Committee asks that I obtain information from each church about elders whose deaths occurred during 2011, whether they were currently serving on the session or not. Therefore, will you please send me the name and date of death of any elders in your congregation who died in 2011. Please return the form no later than **February 22, 2012** to the following address: Staci Percy, P.O. Box 6129, Saginaw, MI 48608-6129.
